

General Laborer Position

Position Summary:

General laborers provide assistance to the field carpenters and superintendents, performing whatever tasks will help keep the production crews working on core tasks without interruption.

Qualifications + Requirements

- Ability to manage or learn basic carpentry tasks under the supervision of a carpenter
- Strong verbal communication skills and willingness to work as part of a team
- Must have reliable transportation and a standard set of construction tools
- Must be able to lift 50 pounds, climb ladders, and perform physical work in small, enclosed spaces

Core Tasks

1. Carpentry
 - a. Serves as an assistant worker to the field crews, measuring and cutting materials to facilitate quick installation, and assisting with other carpentry tasks as needed
 - b. Provides pick-up support to projects, coming in behind crews to finish small tasks
 - c. Follows jobsite safety protocols
2. Cleaning + Recycling
 - a. Performs job site clean up
 - b. Removes debris from job sites and follows the jobsite recycling protocol
3. Tools + Materials
 - a. Transports tools and materials between the Green Hammer work sites, as needed

This is a full-time position with a competitive salary and benefits package. Green Hammer is interested in a long-term relationship with every team member.
