

## Architectural Associate Impact Description

Green Hammer is looking for an Architectural Associate to join our creative and collaborative team of architects and builders. We are a Certified B-Corporation and a leading sustainable design build firm in Portland, OR and our mission is to inspire the evolution of our living environment by creating buildings that promote health and protect the planet. We capitalize on our Unified Design-Build Process and inclusive, collaborative culture, to develop high-performance and highly sustainable residential, commercial, and multi-family projects and are one of 27 firms in the United States meeting the AIA's 2030 Commitment.

### Ideal Qualifications

You are inspired by Green Hammer's mission. You understand the power of collaboration and see working within a multi-disciplinary team (including architects, builders, and trade partners) as the most effective way to design and build highly sustainable buildings. Working towards clear decision-making within a team and task management is your second nature. Most of all you love engaging with a design process that results in healthy and inspiring architecture combined with innovative technology in energy efficiency and green building.

As an Architectural Associate, you are an integral part of our Unified Design-Build Process and a contributor to the design and documentation of our projects. You will be involved in a variety of projects from renovations, new ADUs and single-family residences, to multi-family and commercial. You will shape the success of your projects by collaborating with the Project Architect and providing drawing production assistance to develop the Revit Model and deliver an effective set of drawings for communicating the design to both the client and the Build Team.

- Bachelor's or Master's degree in Architecture
- Passionate about sustainable design, some knowledge of Passive House is a plus
- High emotional intelligence capacity and strong collaborative work ethic
- Proficient with Revit
- A commitment to justice, equity, diversity, and inclusion
- Some experience developing construction documents is a plus
- Working knowledge of Sketch-up, Enscape, and In-Design are a plus but not required

This is a full-time position with a competitive hourly pay rate and benefits package. Green Hammer is interested in a long-term relationship with every team member and supports and encourages the architectural licensing process.

Green Hammer is committed to Justice, Equity, Diversity, and Inclusion and is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law.
