

# Lead Carpenter

Green Hammer is a design build firm and certified B-Corp based in Portland, Oregon. We inspire the evolution of our living environment by creating buildings that promote health and protect the planet. Our multidisciplinary team of designers and construction experts utilize a Unified Design Build Process (UDPB) and a supportive environment to develop cutting-edge, high-performance residential, commercial, and multi-family projects that create long-term value and positive impact.

We are seeking an experienced and disciplined Lead Carpenter to serve on our build team for commercial and/or new residential and owner-occupied projects in the Portland Metro area.

## Job Description

The Lead Carpenter coordinates the flow of work through the job site and ensures all staff and subcontractor work meets Green Hammer quality standards. The Lead Carpenter is also responsible for setting and communicating daily production goals, anticipating potential issues, raising issues with the Superintendent, and proactively solving production problems as they arise while engaging the project team.

## Qualifications + Requirements

- Communicates effectively.
- Willingness to work as part of a collaborative team.
- Demonstrates leadership.
- Has reliable transportation.
- Ability to lift 50 pounds, climb ladders, and perform physical work daily.
- 5-7 years' experience in carpentry or a similar field.

This is a full-time, exempt position with competitive compensation based on years of experience and benefits package including:

- Competitive wage based on years of experience.
- Comprehensive and generous benefits packages including medical, dental, vision, and alternative care (at 60 days).
- Retirement with generous employer match (at 90 days).
- Long- and short-term disability and life insurance.
- Paid time off and holiday pay.

Green Hammer is an equal opportunity employer. We are committed to creating a diverse environment and advancing social justice, equity, diversity, and inclusion within our organization and our communities. For more information, visit:
