

Green Hammer - Architectural Designer Position

Green Hammer is looking for an Architectural Designer to join our creative and collaborative team of architects and builders. We are a Certified B-Corporation and a leading sustainable design build firm in Portland, OR and our mission is to inspire the evolution of our living environment by creating buildings that promote health and protect the planet. We capitalize on our Unified Design-Build Process and inclusive, collaborative culture, to develop high-performance and highly sustainable residential, commercial, and multi-family projects and are one of 27 firms in the United States meeting the AIA's 2030 Commitment.

Ideal Qualifications

You are inspired by Green Hammer's mission. You understand the power of collaboration and see working within a multi-disciplinary team (including architects, builders, and trade partners) as the most effective way to design and build highly sustainable buildings. Working towards clear decision-making within a team and task management is your second nature. Most of all you love engaging with a design process that results in healthy and inspiring architecture combined with innovative technology in energy efficiency and green building.

As an Architectural Designer, you are an integral part of our Unified Design-Build Process and a contributor to the design and documentation of our projects. You will be involved in a variety of projects from renovations, new ADUs and single-family residences, to multi-family and commercial developments. You will shape the success of your projects by collaborating with the Project Architect and providing drawing production assistance in Revit. In so doing, you'll be essential team member in delivering an effective set of drawings for communicating the design to both the client and the Build Team.

- Bachelor's or Master's degree in Architecture
- 2-6 years of professional work experience
- Passionate about sustainable design, some knowledge of Passive House is a plus
- High emotional intelligence and strong collaborative work ethic
- Proficient with Revit. A working knowledge of Sketch-up and Enscape are a plus
- A commitment to justice, equity, diversity, and inclusion

This is a full-time position with a competitive salary and a benefits package including health, vision and dental coverage as well as FSA and 401k retirement savings options. Green Hammer supports the architectural licensing process because we value our team's professional growth. As a company we also support staff working from home while also encouraging working from our office at least once a week to maintain our strong sense of community.

Green Hammer is committed to Justice, Equity, Diversity, and Inclusion and is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law.

Please submit a cover letter, resume, and portfolio to Laura Squillace at laura@greenhammer.com
